Each person went around the room, writing down major events they remember from the beginning of 2013 to date. After the exercise, Xola and Aphiwe, ex-learners turned volunteers took the group through the timeline, explaining the highlights.
1.4. ISSUES TO ADDRESS

After celebrating the highlights of 2013, the group then set about answering the following questions:

- What are the successes we need to build on?
- What are the burning issues we need to address today?
- What are the challenges we are facing

From this exercise, the group identified 8 broad areas with challenges that need to be addressed.
